International Conference on Nano Science, Engineering and Technology (ICONSET-2011)  
28th to 30th November, 2011

Poster Guidelines

The Poster Session will be held at Main auditorium, Sathyabama University, Chennai.

It will be an interactive session to present your work before the expert committee and viewer’s

**General guidelines:**

1. The size of the poster should be restricted to a maximum of 1m (Height) X 1m (width).
2. The title of the paper, author names and affiliation should be printed at the top of the poster.
3. Participants are requested to put up their posters at the assigned position before lunch on the day of your presentation.
4. The position for each poster will be marked by poster ID. Double sided tape and pins would be made available for each poster board. Please contact the poster committee help desk on the venue.
5. The posters should be pasted in such a way that the poster ID displayed on the board by the organizers is visible.
6. Posters should be taken kept for all the three days (28th to 30th November, 2011)
7. Poster Background should be preferably light color and font in dark color for better clarity.
